

I have had the privilege of owning and being owned by Golden Retrievers for almost 35 years .They live in the house with me and are my constant companions.  
My main interest is in showing the dogs but I also enjoyed training them for field work.

I have been lucky enough to have bred Champions at home and abroad including Full English Champions, Show Champions, International and Multi Champion Dogs. Many others that I have bred have CCs and RCCs and most of these dogs have a working qualification in the field.  
Many of the dogs that I have bred have gained their Junior Warrants, Show Gundog Working Certificates and Working Certificates.  
A few of the dogs have excelled in the obedience ring and have gained titles to add to their name.

I have been involved with shows and committee work for many years. I was show secretary of a general canine society for four years and I have been on the committee of Berkshire Downs and Chilterns Golden Retriever Club for the past sixteen years, I have been its Secretary and Show Secretary but for the past seven years I have been the Chairman.

I started judging open shows twenty years ago and I judged my First Championship Show in England in the year 2000. Since then I have judged in many Countries including Australia, Italy, Spain, Norway, Finland, Luxemburg, Holland, Belgium, Ireland and Germany,

I am really looking forward to visiting your country and seeing your lovely Golden Retrievers.  
For me it is both exciting and an honour to be invited to judge.
